WELCOME TO TIDEWATER

IT'S MORE THAN JUST A TENT

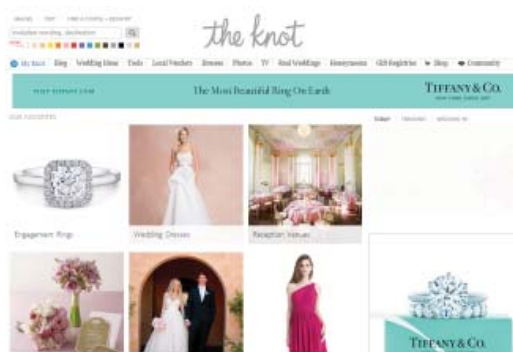

It became apparent shortly after we introduced the Tidewater that it was more than just a tent. The clamour for this bright and elegant event space required us to rethink how we supported our Tidewater Tent dealers. There are a number of resources that we provide to help you get the most out of your Tidewater Tent. We urge you to take advantage of the opportunities for marketing exposure and technical support outlined below.

CUSTOMIZED WEBSITE & GALLERIES

Tidewatertents.com, a first in the industry, created with the express purpose of driving business to your company. The Blog, Products and Photo Gallery sections provide your customers with beautiful imagery and information on Tidewater Tents while the Contact Us feature allows them a point of contact to you. We've incorporated Google mapping into the site with a pushpin at your location.

ADVERTISING | DRIVING POTENTIAL CUSTOMERS TO YOU

When you purchase a Tidewater Tent, you become part of a nationally focused print and online advertising campaign at no additional charge! Our print ads can be seen in Biz Bash and Special Events Magazine with dedicated Tidewater Tents full page ads. In addition, we have a "Platinum Listing" in Biz Bash online, and advertise on The Knot and Facebook. Each quarter, Aztec is able to track online traffic and provide a detailed report for you to follow the ongoing popularity of the Tidewater Tent brand. Your Regional Account Manager can provide you these reports and alert you when an upcoming ad is planned to run.

CUSTOMIZED PROMOTIONAL VIDEO

Populate your website, blog or Facebook page with a personalized Tidewater Promotional Video! All we need is your company logo and we can make this happen.

SHOWROOM POSTER

If only these walls could sell...Each Tidewater Dealer receives a Tidewater Poster.

GOOGLE MAPS RESOURCES

Location, location, location.

With a listing on our Tidewatertents.com dealer website, you'll get your own pushpin on our Google Map page. Our map page streamlines the dealer locating process for your customers and makes it easy for them to find you!

If you end up needing another phone line...well, you're welcome.
